This section details the Family Support Centre's child protection and welfare reporting procedures, including the role of mandated persons; information sharing and record-keeping in relation to child protection and welfare concerns; confidentiality; responding to children who disclose abuse; responding to adult disclosures of childhood abuse; and the FAMILY SUPPORT CENTRE's procedures for responding to allegations of abuse against staff.

RESPONSIBILITY TO REPORT A CONCERN

- All child protection concerns should be brought to the attention of the Designated Liaison Person without delay. If the child is in immediate danger, call the Gardai.
- The responsibility to report child protection or welfare concerns applies to everyone working with children or family members.
- Confidentiality should never be used as a reason not to report a child protection concern.
- The safety and wellbeing of the child takes priority over all other considerations. If you ignore what may be symptoms of abuse, it could result in on-going harm to the child.

IDENTIFYING HARM AND ABUSE

Please see Appendix 1 for categories, signs and indicators of child abuse and neglect. Children First National Guidance defines four categories of abuse: neglect, emotional abuse, physical abuse and sexual abuse. A child/young person may be subjected to one or more forms of abuse at any given time.

Cyber bullying should also be considered. Please see Children First National Guidance for more information.

Children First Act 2015 defines “‘harm’ as, in relation to a child:

- (a) assault, ill-treatment or neglect of the child in a manner that seriously affects or is likely to seriously affect the child’s health, development or welfare, or
- (b) Sexual abuse of the child, whether caused by a single act, omission or circumstance or a series or combination of acts, omissions or circumstances, or otherwise”.

REASONABLE GROUNDS FOR CONCERN

You should always inform the DLP and/or Mandated Person in the Family Support Centre if you have reasonable grounds for concern that a child may have been, is being, or is at risk of being abused or neglected.

It is not necessary for you to prove that abuse has occurred to report a concern. All that is required is that you have reasonable grounds for concern. It is Tusla’s role to assess concerns that are reported to it. If you report a concern, you can be assured that your information will be carefully considered with any other information available and a child protection assessment will be carried out where enough risk is identified.

Reasonable grounds for a child protection or welfare concern include:

- Evidence, for example an injury or behaviour, that is consistent with abuse and is unlikely to have been caused in any other way.
- Any concern about possible sexual abuse.
- Consistent signs that a child is suffering from emotional or physical neglect.
- A child saying or indicating by other means that he or she has been abused.

- Admission or indication by an adult or a child of an alleged abuse they committed.
- An account from a person who saw the child being abused.

IF A CHILD IS IN IMMEDIATE DANGER / EMERGENCY SITUATION

- **If you think the child is in immediate danger, you must contact An Garda Síochána (the police)**
- In an emergency, where you believe the child is at risk of immediate harm, you should contact the DLP first, failing that, contact local Tusla Social Work Duty Service without delay before making a written report.
- Mandated reporters can access Tusla's emergency out-of-hours social work service. If you are a mandated reporter and wish to report a case of child harm to Tusla, you can contact out-of-hours social work service on 0818 776 315, 6pm and 6am every night and between 9am and 5pm on Saturdays, Sundays and bank holidays.
- Under no circumstances should a child be left in a situation that exposes him or her to harm or risk of harm if waiting for an intervention.
- If you are a mandated person, you must follow up with a mandated report to Tusla within three days of the emergency.

REPORTING A CONCERN (ALL FAMILY SUPPORT CENTRE WORKERS AND VOLUNTEERS)

- Regardless of how a concern comes to a worker or volunteer's attention, it must be reported to the Designated Liaison Person without delay.
- If a worker/volunteer receives information regarding a suspicion of child abuse from a third party this must be reported to the Designated Liaison Person who will then consult appropriately with Tusla Duty Social Work.
- If you are a mandated person who also holds the role of designated liaison person, you must fulfil your statutory obligations to report a concern as a mandated person.

Mohill Family Support Centre
CHILD SAFEGUARDING
GUIDING PRINCIPLES
STATEMENT
POLICY & PROCEDURES

- The Designated Liaison Person, in consultation with the worker/volunteer who has raised a concern, will decide if reasonable grounds for concern exist.
- If the DLP is unsure if a child protection concern meets the reasonable grounds for concern, they should contact Tusla Duty Social Work for informal advice and guidance.

Local Tusla Duty Social Work Team(s): <https://www.tusla.ie/children-first/contact-a-social-worker3/>

- Any query or concern in relation to children out of hours should be reported immediately to An Garda Síochána.
- The DLP will report child protection and welfare concerns using the Child Protection and Welfare Report Form (CPWRF) available on www.tusla.ie to the Tusla Duty Social Worker. See Appendix 4 for further information.

The DLP reports:

- Child protection and welfare concerns that meet reasonable grounds for concern but do not meet the threshold for mandated reporting
 - Child protection and welfare concerns that meet reasonable grounds for concern and have been passed to them by persons who are not Mandated Persons
- In the event of an emergency and the unavailability of a Tusla Duty Social Worker, the DLP will contact the police, An Garda Síochána.
 - If a concern relates to the DLP, reports should be made to the Chairperson.
 - If a concern is about a worker or volunteer of the Family Support Centre, the procedure for addressing allegations of abuse against staff / volunteers should be followed.
 - The Chairperson of the Voluntary Board of Directors will be informed when a report has been made by a DLP to Tusla. Information which identifies the child or family is only shared on a strictly 'need to know' basis.
 - The DLP will record factual details of the concern, the decisions and actions taken. These records will be held securely and confidentially.

REPORTING IF YOU ARE A MANDATED PERSON

Mohill Family Support Centre
CHILD SAFEGUARDING
GUIDING PRINCIPLES
STATEMENT
POLICY & PROCEDURES

- If you are a mandated person you must report a concern without delay. You may do this with the DLP in the Family Support Centre or independently of the DLP. Guidance for mandated persons on the thresholds at which, or above which, they have a statutory obligation to report the concern under the Children First Act 2015.
- As a mandated person, if you have concerns you have a legal obligation to make a report as below.
 - “...where a Mandated Persons knows, believes or has reasonable grounds to suspect, on the basis of information that he or she has received, acquired or becomes aware of in the course of his or her employment or profession as such a mandated person, that a child—
 - (a) has been harmed,
 - (b) is being harmed, or
 - (c) is at risk of being harmed,he or she shall, as soon as practicable, report that knowledge, belief or suspicion, as the case may be, to Tusla.”
- Also, Section 14(2) of the Children First Act 2015 places obligations on mandated persons to report any disclosures made by a child:
 - “Where a child believes that he or she—
 - (a) has been harmed,
 - (b) is being harmed, or
 - (c) is at risk of being harmed,and discloses this belief to a mandated person in the course of a mandated person’s employment or profession as such a person, the mandated person shall, as soon as practicable, report that disclosure to Tusla.”
- **Mandatory reporting cannot be discharged by a DLP on your behalf. Mandated Persons can, however, make a joint report with a DLP.**
- Where a mandated person has a concern that they believe does not reach the threshold for a mandated report, they should consider whether the concern meets reasonable grounds for concern, and they should report the concern to their DLP.
- If the DLP does not wish to report to Tusla, you, as a mandated person, should proceed with making a report and inform the DLP that a report under the Children First Act 2015 has been made. The Protections for Persons Reporting Child Abuse Act

Mohill Family Support Centre
CHILD SAFEGUARDING
GUIDING PRINCIPLES
STATEMENT
POLICY & PROCEDURES

1998 will apply in this instance. See Appendix 6 for an overview of this Act.

- If a child protection concern has come to the attention of several Mandated Persons, the report may be submitted jointly by them.
- Mandated Persons should inform the DLP in the Family Support Centre if they have made a report.

MAKING A MANDATED REPORT OUT OF HOURS

Mandated reporters can now access Tusla's emergency out-of-hours social work service. If you are a mandated reporter and wish to report a case of child harm to Tusla, you can contact our out-of-hours social work service on 0818 776 315 between 6pm and 6am every night and between 9am and 5pm on Saturdays, Sundays and bank holidays. If you cannot contact Tusla and have an immediate concern about the safety of a child, please contact An Garda Síochána.

IF A DLP DECIDES NOT TO REPORT A CONCERN

If, as a designated liaison person, you decide not to report a concern to Tusla, the following steps should be taken:

- The reasons for not reporting should be recorded.
- Any actions taken as a result of the concern should be recorded.
- The worker or volunteer who raised the concern should be given a clear written explanation of the reasons why the concern is not being reported to Tusla.
- The worker or volunteer should be advised that if they remain concerned about the situation, they are free to make a report to Tusla or An Garda Síochána.
- The worker or volunteer who raised the concern should also be reassured that if they do choose to further pursue the matter, they are covered by the Protections for Persons Reporting Child Abuse Act 1998.

CAN I REPORT ANONYMOUSLY?

Mohill Family Support Centre
CHILD SAFEGUARDING
GUIDING PRINCIPLES
STATEMENT
POLICY & PROCEDURES

Workers and Designated Liaison Persons cannot report anonymously. Similarly, mandated persons may not report anonymously as they are obliged to report by law.

RESPONDING TO A DISCLOSURE FROM A CHILD

You should deal with disclosures of abuse sensitively and professionally.

The following approach is suggested as best practice for responding to a disclosure.

Where a child/young person discloses abuse, the reporting procedure should be followed.

N.B. Think before you promise anything – do not make promises you cannot keep.

- React calmly, listen carefully and attentively
- Take the child seriously
- Reassure the child that they have taken the right action in talking to you
- Do not promise to keep anything secret
- Ask questions for clarification only
- Do not ask leading questions
- Avoid asking about intimate details or suggesting that something else may have happened other than what you have been told
- Check back with the child that what you have heard is correct and understood
- Do not express any opinions about the alleged abuser

At the earliest possible

opportunity:

- Record in writing, in a factual manner, what the child/young person has said, including, as far as possible, the exact words used by the child/young person
- Ensure that the child understands the procedures that will follow
- Inform the DLP immediately per reporting procedures
- Treat the information confidentially

RETROSPECTIVE ABUSE: RESPONDING TO ADULTS WHO DISCLOSE CHILDHOOD ABUSE

- The requirement to report retrospective concerns should be made explicit to the client, prior to commencement of work, for example in a therapy or counselling contract.
- If a worker/volunteer receives a disclosure from a client or service user that they were abused as a child (i.e. a disclosure of retrospective abuse), you must report this information to Tusla using a Retrospective Abuse Report Form (RARF) as there may be a current or potential risk to children from the person against whom there is an allegation.
- If you are unsure about whether to report or not, consult with your DLP or the Tusla Duty Social Work.
- Guidelines for completing a RARF can be found in Appendix 5, and on the Tusla website: www.tusla.ie/children-first/publications-and-forms/

TALKING TO PARENTS/GUARDIANS ABOUT CHILD PROTECTION OR WELFARE CONCERNS

- It is usually good practice to tell the most appropriate parent/guardian in the family

Mohill Family Support Centre
CHILD SAFEGUARDING
GUIDING PRINCIPLES
STATEMENT
POLICY & PROCEDURES

that you are making a report.

- This means that the family is fully informed about the services they are being referred to and understand what information professionals are passing on and why. However, there are some exceptions to informing the family (see below).
- You do not need to tell the family that a report is being made, if:
 - By doing so, the child will be placed at further risk
 - Where the family knowing about the report could affect Tusla's ability to carry out a risk assessment
 - You believe that doing so would place you at risk of harm from the family.

PROCEDURE FOR ADDRESSING ALLEGATIONS OF ABUSE AGAINST STAFF / VOLUNTEERS

An allegation of abuse may relate to a person who works with children who has:

- Behaved in a way that has or may have harmed a child/young person.
- Possibly committed a criminal offence in relation to a child/young person.
- Behaved towards a child/young person or children/young people in a way that indicates they may pose a risk of harm to a child/young person.

Mohill Family Support Centre has a dual responsibility in respect of both the child/young person and the worker/volunteer. There are two separate procedures to be followed:

1. The Designated Liaison Person will deal with the child welfare or protection concern procedure

Note: Where an allegation of abuse is made against the Designated Liaison Person, the Deputy Designated Liaison Person will deal with the concern.

2. A member of the Voluntary Board of Directors (Employer), ideally a member of the Staffing Sub-group and / or the Chairperson, will deal with the allegation against the staff member / volunteer i.e. will deal with the employment aspect.

- Legal and/or HR advice should be sought by the Board if in doubt.
- The same person should not have responsibility for dealing with the child

protection reporting procedure and the employment/contractual issues.

- If an allegation is made against a worker/volunteer the FAMILY SUPPORT CENTRE must ensure that everyone involved is dealt with appropriately and in accordance with:
 - the Family Support Centre’s guiding principles and child safeguarding procedures
 - the rules of natural justice
 - relevant employment law.

PROCEDURE FOR ADDRESSING ALLEGATIONS OF ABUSE AGAINST STAFF / VOLUNTEERS

First priority is for the safety of the child/young person; the Chairperson and / or DLP must ensure no child or young person is exposed to unnecessary risk. **Mohill Family Support Centre** will put in place necessary protective measures. This is not a presumption of guilt.

Child welfare or protection concern

- If an allegation against a worker or volunteer is received, it will be dealt with promptly and strictly in accordance with agreed reporting procedures for a DLP and/or Mandated Person
- The DLP will alert the Chairperson and/or member of Staff Liaison Sub-group that a concern has been raised
- The decision to make a formal report will be based

Employment

- Once alerted by the DLP of an allegation, the Chairperson will privately inform the worker/volunteer who the allegation is against of (1) the fact that an allegation has been made against them and (2) the nature of the allegation
- The FAMILY SUPPORT CENTRE will ensure that the principles of ‘natural justice’ apply throughout the process
- All stages of the process must be recorded
- The worker/volunteer should be offered the option to have representation
- The worker/volunteer will be afforded an opportunity to respond to the allegation and should be informed that any response will be noted in any subsequent report to Tusla or An Garda Síochána
